

Customer feedback

- "Snapping to a cinema doesn't work for me."
- "Is it possible to sort the cinemas in the list, or have more advanced filters (such as candybar available, price of a ticket, etc)."
- "Why can't I see what films each cinema has available?"
- "The site doesn't fit the theme of the cinema, it looks too formal"
- "I wish the map would instantly show my location as soon as the page loaded"
- "Some more pictures would be great, so then I can see what the cinemas look like"
- "There is no way to see how previous customers have reviewed their visit to the cinemas"
- "It only shows cinemas for Australia and New Zealand, but the map lets me move to anywhere in the world"
- "I'd like to make a booking to watch a film once I've found the best cinema for me"
